Wymer Publishing, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Following his highly successful previous book, Zappa The Hard Way, Frank Zappa specialist Andrew Greenaway s second tome on the influential cult artist is something completely different! Frank Talk: The Inside Stories of Zappa s Other People is compiled from over 40 interviews Greenaway has conducted during the past three decades, with the people who knew and worked with the legendary composer and musician. From Zappa s own family (including his brother and sister and eldest son, Dweezil), through to members of the Mothers of Invention such as Jimmy Carl Black, Roy Estrada Don Preston - major discoveries like guitarists Warren Cuccurullo (who went on to much success with Duran Duran) Steve Vai (Alcatrazz / Dave Lee Roth / Whitesnake) plus drummer extraordiniare Terry Bozzio who later formed Missing Persons as well as working with luminaries such as Jeff Beck and Mick Jagger, through to the likes of Ike Willis, Scott Thunes and Mike Keneally who played in Zappa s last touring band. Augmented with artwork and caricatures created by noted designer Antero Valerio, Frank Talk gives an extraordinary insight into this musical genius that is piled on in layers. With Greenaway s recognised knowledge of Zappa this book will undoubtedly compliment his previous title and be every bit as revered.
