## THE TRUE NATURE OF LOVE: THE SPIRITUAL STATE OF CONSCIOUSNESS THAT REVEALS LOVE S ORIGINAL SOURCE ORIGINAL ESSENCE (PAPERBACK)

AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.From the very dawning of the written word, no book has ever been published that even begins to give such a specifically detailed description and analysis of the subject of love as does this book. It is information derived not just from a study of love s role in the history of human evolution, but from the author s experiences in a number of spiritual states of consciousness that let him see love in a considerably different perspective, a totally different context than is experienced on the physical side of life. \* \* \* \* \* In the spiritual realms of reality, love is not simply an emotion or attitude, as it is experienced here in the physical realm of reality, but rather is a creative Power, literally, that has a feminine gender to its nature, literally, and is consciously known by the beings of those realms to be sourced from The Infinity: The Infinity most commonly known as God; a Power the purpose of which is to give conscious, outward expression to God s other-wise dormant, unexpressed nature .
