Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.My name is Samuel Johnson, and I m a vampire. This is my journal recounting the series of events that led to this written form of punishment.or rehabilitation as some call it. I m a member of an organization called Vampires Against the Evil (VATE), which identifies aliens disguised as humans-and kills them. We re supposed to avoid killing humans who aren t aliens, but it s usually okay if a few die. Truthfully, we can do just about anything to accomplish our mission. It s a limitless policy. Or so I thought. My last mission was to infiltrate AGI, a property-casualty insurance company, and kill the alien placed there. According to some, my investigation went awry. This therapeutic journal tells that story, in hopes that I learn from my mistakes.
