Jetlag Press, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. One man steps into a victorious life in Christ and experiences a transformation and renewal through baptism of the Holy Spirit. He explains God's inner work in him through Christian dream interpretation and God's refining fire. This timely book includes observations on spiritual gifts, and comparisons of Christianity, personality type (Myers-Briggs) and culture types. It also contains inspiring articles on faith and revival in Hawaii and other countries. The water of life is the Holy Spirit in our lives. One of the reasons I moved out to Hawaii is that the ocean is a spiritual experience or spiritually renewing for me. The water of life is not a physical drink-it's spiritual-something that fills your spirit; heals your soul and body; and flows out of our heart to those around us. From the author of Culture Shock! Hawaii and Where in the World Do I Belong.
