

## Dental Anatomy Coloring Book (Paperback)

By -

Elsevier Health Sciences, United Kingdom, 2013. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. DENTAL ANATOMY COLORING BOOK helps you learn different structures and tests your knowledge of anatomy in a unique coloring book format. Numbered leader lines clearly identify the structures to be colored and correspond to a numbered list appearing below the illustration and make it easy to see the dental anatomy. You can also create your own color code by coloring in the boxed number that appears on the illustration and using the same color to fill in the corresponding numbered box on the list below. A comprehensive focus on dental anatomy covers all the structures of head and neck anatomy and the basic body systems that are essential to the practice of dentistry, with varying views of structures, including differing orientations and levels of detail. An easy-to-follow organization begins with an overview of body systems and then breaks down dental anatomy in the following chapters, providing information in small chunks and providing a clear picture of interrelationships. 220 detailed anatomical illustrations, including corresponding labels, make both coloring and identification easy. Perforated pages allow for easy removal so that you can study pages...
