Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Do you want to boost your people skills to easily build rapport with anyone? Or just avoid uncomfortable misunderstandings and awkward situations. If you (1) have trouble speaking so others listen and respect you, and (2) never know what to say or how to act around new people, that feeling of dread and despair isn't something you have to live with. Learning People Tactics is your key to social intelligence and better relationships. Discover exactly what enables someone to call themselves a people person. People Tactics is a book of action that allows you to truly understand others and speak their language. You'll learn how to apply great charm to make new friends and engage old ones. It will fundamentally change your mindset on how to approach people and give you the specific words and phrases to do it. People will listen when you speak because you'll always know what to say and how to say it. Whether it's winning at work politics, making new friends, or strengthening current relationships, people skills are your quickest and surest route to success - no matter the situation. Why listen to me? Because over 100,000 people around the world have bought my books on this topic, and I teach it for a living! How will you learn to dodge, duck, and handle any situation? - The huge flaw of the Golden Rule we've been taught since childhood. - The toxic, anti-social habits you are probably doing every day. - What secondary self-interests are and why they are the key to smooth interactions. - How to increase emotional intelligence and understanding. As well as: - Specific people tactics for the...
