

The Groaning of Creation: God, Evolution, and the Problem of Evil

By Christopher Southgate

Westminster/John Knox Press, U.S. Paperback. Book Condition: new. BRAND NEW, The Groaning of Creation: God, Evolution, and the Problem of Evil, Christopher Southgate, Pain, suffering, and extinction are intrinsic to the evolutionary process. In this book Christopher Southgate shows how the world that is "very good" is also "groaning in travail" and subjected by God to that travail. Southgate then evaluates several attempts at evolutionary theodicy and argues for his own approach--an approach that takes full account of God's self-emptying and human beings' special responsibilities as created co-creators.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
