iUniverse, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Once a wealthy and sophisticated European dancer, Elizabeth Betty Bromley is now spiraling downward into the abyss that is Alzheimer s disease-a world that relentlessly tightens its grip on the woman s sanity. At one time rich and powerful, Lolita Rimblas is on the brink of losing everything. Fate brings the two women together, and while they fight to hold on to Mrs. Bromley s memories, Lolita struggles to forget her own. Both Mrs. Bromley and Lolita are caught in a vortex of emotional turmoil that fills each day with despair, embarrassment, laughter, and eventually, acceptance. Lolita never imagined herself to be chasing after a dog and cataloguing its feces, preparing a dinner party for a ghost, fending off flashlight attacks in the middle of the night, or defending herself from affronts to her morality and self-esteem. But as days and nights fuse together, the two women develop a bond wrought from need, pity, loyalty, and a love that even Alzheimer s can t break. As Lolita helps Mrs. Bromley retain some of the dignity that Alzheimer s has taken away, she finds herself having to choose between following her lifelong dream or listening to the dictates of her unrelenting conscience.
