Reviews

An exceptional publication as well as the font employed was exciting to see. it was actually writtern extremely flawlessly and helpful. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dominic Collins)

LET JUSTICE SING: HYMNODY AND JUSTICE

DOWNLOAD PDF

Liturgical Press. Paperback. Book Condition: new. BRAND NEW, Let Justice Sing: Hymnody and Justice, Paul Westermeyer, LET JUSTICE SING begins with a survey that shows how justice is an urgent concern of recent hymn writers. To discover if twentieth-century Christians are the first to sing about justice, past hymnic repertoires from the psalms to African-American hymns are analyzed along with a couple related excursions. The broader context for hymnody is then addressed, especially in relation to worship, art, sentimentality, and culture. A final chapter suggests that Christians have always sung about justice, that the message transcends the messengers, that the most potent singing about justice keeps the whole Christian song intact, and that removing justice from the whole loses it. The book falls into three parts: content, context, and the importance of justice within the warp and woof of hymnody.
