Focus Publishing (AU). Paperback. Book Condition: New. Paperback. 38 pages. Dimensions: 8.9in. x 5.8in. x 0.5in. Unmarried couples living together is so common today that many people are surprised to hear it called sin. Some respond, Well times have changed, and that is true. But God has not changed, and neither has His standard of holiness. If you are someone who truly wants to honor God in your life, you want to know what His Word has to say about cohabitation. Jeffrey Miller presents a practical viewpoint to those who haven't closed their minds to a biblical perspective. This booklet includes insightful responses to common reasons for Living Together. We live in a day when the idea of living together is more popular than it has ever been before. In a compassionate manner that even those believing in or contemplating this sin can swallow, Jeff lifts up God and His Word and exposes this cheap substitute for God's perfect design as the sugar-coated poison it is. - Stuart Scott, Associate Professor of Biblical Counseling, Southern Baptist Theological Seminary This item ships from multiple locations.
