Reviews

Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Bernie Mante PhD)

CAPITALISM V20.07.09: THE PAST WE LIVE IN TODAY (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Miss Maria Guadalupe Almeida (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Hello. Whatever the part of the world where you are reading this, we all share the same preoccupations. Few are those who can really make a total abstinence from the amazing turmoil we are embed today. More than capital enrichment, food or shelter humans need peace of mind, sentiment of Justice and to know what they can count on. This book is aiming to do just that, by providing the reader with a complementary guide of how to make money; how to build/choose your political party; an interesting POV of our society stage of development. Be the first to get in touch with type1 civilization concept. This first tome is an introduction for a new theory for how to organize our lives and consequently our society making it more virtues; restore some values lost with bitterness of profit pursuit and individualism. This is the first of 5 entrances of A Whole New System Series- a step by step guide to the App that is going to make (possibly) a change of shifts for the current inefficiency of our social political system and society as a whole. As a first step I found it important to make each individual stronger and more aware. I consider this book as my personal guide that I sharing with the interested reader in implementing that changes, beginning in advance within ourselves. Here are the seeds but each individual person, the public in general are the responsible for themselves and purusit their happiness. The awareness of the future makes you better prepare for the present challenges Yours sincerely Helio JP Alves.
