

The Gospel of the Hereafter (Paperback)

By J Paterson Smyth

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. IS IT MY BODY? Nay, surely not. I know that my body is only my outward garment woven by me out of certain chemical substances. In a scientific museum I can stand before a glass case and see neatly labelled the exact portions of lime and silica and iron and water and other elements which compose my body. I know that this body is continually changing its substance like the rainbow in the sky, like the eddy round a stone in the river. The body I have to-day is no more the body of last year than the fire on my hearth to-night is the fire that was there this morning. I have had a dozen different bodies since I was born, but I am the same still. Every thinking man knows that the I, the real self, stands behind the body looking out through the windows of the eyes, receiving messages through the portals of the ears. It rules the body, it possesses the body. It says, I have a body. This body is a thing belonging to me.

This book may be really worth a read through, and a lot better than other. It is really basic but excitement inside the 50 % in the pdf. I realized this pdf from my dad and i encouraged this publication to learn.
