Is your future a pie in the sky that will drop on us just because it was God's plan for us? Can others create our world? We are now walking in the world that the fall of Adam and Eve created, so how do we get back into the world that God originally created for us? The future has come and we are a relic of the past, living in the future. Don't allow your past to poison your future. What must we do to be transformed into the person God planned for us to be? This book will help you find the answers to these questions and more and give insight as how to build a good future on the foundation he planned for you. Our destinies lie in the balance of God's sovereignty and our own responsibility.
