During World War II, the free world literally hung in the balance, with the Axis and Allies engaging in warfare on an unprecedented scale. Though the ultimate result is now known, in 1940 it looked very much like the Axis might win the war and usher in a new world order. It took several important decisive moments to help turn the war. The Battle of Britain, fought throughout the summer and early autumn of 1940, was unquestionably epic in scope. The largest air campaign in history at the time, the vaunted Nazi Luftwaffe sought to smash the RAF as a prelude to German invasion, leaving the British public and its pilots engaged in what they believed was a desperate fight for national survival. That s what it looked...
