It is one of the most popular pdfs. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.

THREE PHILOSOPHICAL POETS: LUCRETIUS, DANTE AND GOETHE

Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.The sole advantage in possessing great works of literature lies in what they can help us to become. In themselves, as feats performed by their authors, they would have forfeited none of their truth or greatness if they had perished before our day. We can neither take away nor add to their past value or inherent dignity. It is only they, in so far as they are appropriate food and not poison for us, that can add to the present value and dignity of our minds. Foreign classics have to be retranslated and reinterpreted for each generation, to render their old naturalness in a natural way, and keep their perennial humanity living and capable of assimilation. Even native classics have to be reapprehended by every reader. It is this continual digestion of the substance supplied by the past that alone renders the insights of the past still potent in the present and for the future. Living criticism, genuine appreciation, is the interest we draw from year to year on the unrecoverable capital of human genius. Regarded from this point of view, as substances to be digested, the poetic remains of Lucretius, Dante, and Goethe (though it is his Faust only that I shall speak of) afford rather a varied feast. In their doctrine and genius they may seem to be too much opposed to be at all convergent or combinable in their wisdom. Some, who know and care for one, perhaps, of these poets, may be disposed to doubt whether they have anything vital to learn from the other two. Yet it is as a pupil-I hope a discriminating pupil-of each in turn that I...
