Audible Studios on Brilliance, 2015. CD-Audio. Condition: New. Unabridged, Anniversary. Language: English . Brand New. Acclaimed as the greatest novel ever written about the War Between the States, this searing Pulitzer Prize-winning book captures all the glory and shame of America's most tragic conflict in the vivid, crowded world of Andersonville, and the people who lived outside its barricades. Based on the author's extensive research and nearly 25 years in the making, MacKinlay Kantor's bestselling masterwork tells the heartbreaking story of the notorious Georgia prison where 50,000 Northern soldiers suffered and 14,000 died and of the people whose lives were changed by the grim camp where the best and the worst of the Civil War came together. Here is the savagery of the camp commandant, the deep compassion of a nearby planter and his gentle daughter, the merging of valor and viciousness within the stockade itself, and the day-to-day fight for survival among the cowards, cutthroats, innocents, and idealists thrown together by the brutal struggle between North and South. A moving portrait of the bravery of people faced with hopeless tragedy, this is the inspiring American classic of an unforgettable period in American history.
