iUniverse, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.INSTEON: Smarthomes for Everyone is the first book to cover the amazing new INSTEON home automation and control system. INSTEON works over your existing powerlines to reliably control lighting and appliances from any switch in your house. Setup path lighting, scene lighting, security and environment control with the touch of a button. Best of all, no computer expertise or electrical skills beyond basic Do-It-Yourself handyman skills are required! If you can replace an electrical switch, you can install an entire INSTEON home automation system yourself. INSTEON: Smarthomes for Everyone brings together everything the Do-It-Yourself homeowner needs to know about INSTEON in order to design and install a complete and reliable smarthome system. Smarthome technology is the wave of the future, and INSTEON is the low-cost, high-reliability leader in the field, with more installed systems than any other modern smarthome technology--even those costing many times more. For less than \$1 per square foot, you can control all the lighting in your home as well as your audio/visual system, security system, sprinklers and irrigation. Turn off lights over the Internet! Close your garage door from Work! Shut off every light in your home from your nightstand--and lock all the doors! From beginner to expert, this book will guide you through the process with step-by-step instructions and leave you with a complete understanding of your system. Get more out of your home with INSTEON Smarthome technology.
