BRAND NEW, Kansas Impressions, Steve Mulligan, Michael Snell, These two veteran photographers have set out to capture iconic images of America's heartland: and their combined efforts result in a fascinating portrait of the Sunflower State. From the streets of legendary Dodge City to the sparkling skyline of Wichita, from the herds of bison on Big Basin Prairie Preserve to the sculpture garden at the Wichita Art Museum, and from the historic trains at the Kansas Museum of History to the command module at the Kansas Cosmophere, the face of Kansas is as varied as the plains are vast. A beautiful gift for anyone or a great end-table book to remember your trip!
