Not illustrated. 1866 Excerpt: .by inflection, but by the use of the verbs shall and will along with the simple verb. It expresses what is to be, or is to be done after the statement is made; as, I shall write, He will speak. Shall and will are called Auxiliary (or helping) Verbs. 138. Inflection of Shall and Will: --Singular. Plural, lit Person, I shall. I will We shall. We will 2d -. Thou shalt. Thou wilt You shall. You will 3d-. He shall. He will They shall. They will (a) To express simple futurity, that which is to be, shall is used in the first person, and will in the second and third persons. (6) Shall implies obligation or duty. Its old meaning was to owe, still retained in the past tense, I should = I ought. Will implies wish or pleasure, --the exercise of wiU. (c) The correct use of these auxiliaries depends fundamentally upon the following principle: --Will expresses the will or pleasure of its Subject; Shall implies the will or pleasure of the Speaker. Usage, however, has modified the application of this principle as follows: --1. In the first person, --where the subject is also the speaker, --will is used to express determination; shall, to express simple futurity. 2. In the second and third persons, the speaker asserts his will when he uses shall; waives his will when he uses will; thus, Tou (or he) shall = it is my will that you (or he) shall:...
